Dewan of Mysore

Sir,

With reference to Government Proceedings No: 406/124 dated the 4th Ultimo anent the proposed transfer of the Govern-ment Amma Chattrum at Malur to Tirupati in the Malur Taluq in certain part of the year, I have the honor to state that Dharmakartas of the temple at Tirupati is desirous that the Chattrum should be transferred to that place for four days on the occasion of the annual car festival which takes place there about the middle of the month of Chaitra but the Amildar reports that, as a large number of Brahmin pilgrims who collect will have to be fed, the measure if approved would prove a great drain on the resources of the Chattrum

and cannot well be carried out without stopping the feeding at Madar for a couple of months to the serious inconvenience of the travellers visiting that station.

The Amildar further brings to notice that the votaries of the said temple feed the pilgrims at their own cost for 4 or 5 days during the Jatra

Under these circumstances, I beg to suggest that the proposal made by the Representatives may be vetoed as uncalled for.

I have the honor to be,

2 The Deputy Comm^r reports that Malur being a Taluk Head Quarters not less than 5 travellers on an average are fed daily in the Chattram, that, it would prove that if the Chattram is transferred to Temple on the occasion of the annual Car festival at that place & is desired by many of the temple there will be a great drain on the resources of the Chattram which will entail the stopping of feeding in the Malur Chattram for a couple of months in the year to the great inconvenience of travellers visiting the Chattram which is the Head Quarters of a Taluk.

that the votaries themselves are now feeding the Brahmin pilgrims at their own cost during the car festival of Venkatagramaswamy temple at Tirupati, Hand that therefore they request made by the Representatives to transfer the malur Chattram to Tirupati may be agreed
